Cynthia Welsh : How to Read and Understand Crochet Diagrams and Charts: Open Up a Whole World of Patterns with Crochet Diagrams and Charts before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Read and Understand Crochet Diagrams and Charts: Open Up a Whole World of Patterns with Crochet Diagrams and Charts:

2 of 2 people found the following review helpful. Diagrams easily explained!
By Michael S. My wife has been learning how to crochet for a little while now. I know that some of the diagrams can be difficult to understand sometimes, so when I saw this book, I knew that it would help her out. Cynthia Welsh makes difficult diagrams easy to understand. She has a whole list of crochet symbols that she explains very well. One of the real cool things about the book is how she compares the diagrams to written patterns and teaches you how to understand them. This is a very useful book that will be a great resource for my wife.
1 of 1 people found the following review helpful. Helped me memorize the crochet symbols
By Constance Wolfe I have gained interest in crocheting recently and I'm trying to expand my knowledge and reading many guides on crocheting. I think this guide in particular is good for beginners like me because it helps you memorize the crochet symbols, patterns and diagrams. For example, the author utilized what you have to learn on the first part of the guide in latter part. I tried to make the Waffle Stitch Dishcloth and 6 Petal Flower pattern of granny square and I think I did well.
1 of 1 people found the following review helpful. Good book on reading crochet charts!
By Bruce Glassford Good basic explanation of crochet charts. It describes how the stitches are diagrammed, and how to read the diagrams. Note for beginners - this does NOT cover how to do the stitches, just how to read the charts. Excellent book for the price (free!)

If you have ever wanted to learn how to read a crochet diagram or a crochet chart then you know how confusing this task can be. Now master crochet artist and designer Cynthia Welsh demystifies crochet diagrams and charts for you in her book, *How to Read and Understand Crochet Diagrams and Charts; Open Up a Whole World of Patterns with Crochet Diagrams and Charts*. Cynthia takes you through the steps of understanding the various crochet symbols used in diagrams and charts and then she provides easy crochet diagrams and charts for you to practice your new skills. In this book you will find a complete table of the most commonly used crochet symbols used by designers today. Cynthia also provides a handy table to translate UK terms to US terms so that you can work patterns from almost anywhere. Even if a designer speaks a different language than you, your knowledge and skill at reading diagrams and charts will enable you to crochet a pattern no matter what language the written instructions may be written in. Using the classic Granny Square Cynthia teaches you how to compare a diagram to a written pattern. Each step is explained in easy to understand instructions plus clear photos and images are used to help you. Cynthia explains the difference between crocheting in the round and flat crochet using crochet diagrams and charts. In this book you will also receive five original designs to help you practice reading and working diagrams and charts. 8 Petal Cluster Flower V-Stitch Granny Square Waffle Stitch Dishcloth 6 Petal Flower Cathedral Window Edging You should know the basics of crochet to use this book, but even beginners will find it a valuable reference. More advanced crochet artists will also find this to be a valuable reference to learn how to read and work crochet diagrams and charts. Once you know the basics of how to read and crochet from a diagram or chart you will find an entire new world of patterns open up to you. Don't miss out on this valuable reference for your crochet library. Get your copy today! Large Print Version** Buy It Now
