Lots of pictures and illustrations plus different techniques!5 of 5 people found the following review helpful. How to Tan Skins the Indian WayBy Minnesota ElderExcellent handbook of knowledge, including

how every animal has enough brains to preserve it's own hide. Illustrations are detailed and easy to interpret for the beginner as well as the survivalist. Handbook is small and easy to carry. It would take up little room in your cabin, tent or backpack.0 of 0 people found the following review helpful. Five StarsBy Donna Durbinamazing book.....great read....
