It's an amigurumi world, and crochet designer Shannen Chua is helping populate it with a Noah's ark full of lovable animals. Chua, a college student, designs gleeful charm into each softie: a giraffe gets 3-D spots, a teddy bear sports overalls and a sailor hat, Tom Turkey dons a Pilgrim hat and customizable feathers. Lots of close-up photos and clear directions make these cuties both easy and fun to make, while their larger-than-usual size (6 to 12 inches tall) makes them extra huggable. --Yarn Market News
