Amy Gooda : I Love Card Making: 25 Projects That Will Show You How to Make Cards Easily and Quickly before purchasing it in order to gauge whether or not it would be worth my time, and all praised I Love Card Making: 25 Projects That Will Show You How to Make Cards Easily and Quickly:

2 of 2 people found the following review helpful. HobbyBy pgh girlI bought this for a friend who began a card-making hobby. Every time I see her she profusely thanks me and shows me the cards she made after reading this book. I am very impressed. She told me the book was easy to read and understand and outlined various items to buy to make cards. She said she would have never thought to use certain items, such as beads, bangles and glaze pens.

Card making and scrapbooking are hot, hot, hot a great way for crafters to express their creative side and make something memorable out of simple supplies. In I Love Card Making, Amy Gooda guides readers through a variety of card-making methods including stamping, embossing, and beading, and explains all the essential materials and techniques. Her designs feature a range of styles from retro stripes to glamorous gold shimmer to vintage fabric. Ambitious crafters can try one of the interactive cards that incorporate a detachable button, fridge magnet, or cupcake

recipe. Each project is fully illustrated with step-by-step photographs and instructions and includes ways to adapt and customize a card to suit different occasions.

About the Author AMY GOODA has been crafting and selling her handmade cards for many years. She earned a degree in textile design and started her career designing wedding cards and stationery. This is her first book. She lives in the UK.
