Many illustrations, full color photographs, well-written descriptions. I highly recommend this book to anyone interested in Ikebana but also to anyone interested in design composition, gardening, creating beauty from everyday objects around you. 3 of 3 people found the following review helpful. 4 stars only because for me as a Beginner in ...By Petra Ussler 4 stars only because for me as a Beginner in the art of Ikebana it is overwhelming (for me!!) and working as described works not for me. So I work only what the picture is showing. 4 of 4 people found the following review helpful. Wonderful Book By KatVA Absolutely LOVE this book. My daughter decided to do an Ikebana arrangement for

her class project in Art History and this book was extremely helpful in understand the design rules and also had quite a number of photo;s that enhanced her idea for her project. I would highly recommend this book if you are a beginner and interested in learning the art of Ikebana.
