Crafts Media LLC : In Love with Paper Crafts before purchasing it in order to gauge whether or not it would be worth my time, and all praised In Love with Paper Crafts:

0 of 0 people found the following review helpful. Five Stars By lovesknowledgethank you!! 2 of 2 people found the following review helpful. In Love with Paper Crafts By Kevin N. Canaday I was a bit disappointed in the book. I would like to see more "crafts" and gift ideas, and less card ideas. 1 of 2 people found the following review helpful. Great big, book! By C. B. I saw this at Joann Fabrics and almost purchased it but changed my mind at the last minute... I regretted it then the next day got it on . It's a wonderful book full of ideas for making beautiful cards. All styles. The book is very big and thick. You certainly are getting more than your money's worth with this purchase.

Because everyone needs ways to express love all year long, the editors of Paper Crafts magazine have compiled this dynamic anthology of their most lovable cards and valentines, plus gift bags, boxes, albums, home accents, sweet

treats, and party dcor. It's an irresistible go-to resource for design guidance in all the categories of love. Themes include weddings, anniversaries, romance, family devotion, passion for life, and other heartwarming experiences. There is even a "Love and Learn" section featuring clever ways to use basic paper crafting tools and products and a variety of stamping techniques. Try out some advanced techniques, or keep it simple with quick and easy 5-step designs. It's always the perfect time to let someone know you care!
