**Eleanor Hallowell Abbott : Indiscreet Letter, The** before purchasing it in order to gage whether or not it would be worth my time, and all praised Indiscreet Letter, The:

0 of 0 people found the following review helpful. Glimpse into life at turn of last centuryBy D. BrewerLovely character sketches with an open ending, I like to think a happy ending for the writer of a letter more inquisitive than indiscreet.0 of 0 people found the following review helpful. Close To HomeBy NetadminTo accurately describe this book is ensuring one has their affairs in order, make good decisions in their lives. There are three main characters, and light reading. Captures all the essence of the era and being alone. Good story. Recommended for those who like short stories.2 of 2 people found the following review helpful. ABBOTT'S CHARACTER DESCRIPTIONS ALONE ARE WORTH THE READ!By S. K. NormanAN INDISCREET LETTER by Eleanor Hallowell Abbott was published in 1915. It is a brief read...maybe an hour or so in duration...and is a sweet, delightful tale about three strangers who meet and converse on a train. The conversation predominantly takes place between the Traveling Salesman and the Youngish Girl. Yet the description of the Young Electrician is the most captivating and colorful of the three. If a reader solely reads the book for Abbott's character descriptions alone, this little nugget is worth a read.

This is a short story of three people traveling on a train. They begin discussing what they would call an 'indiscreet letter.'
