From CreateSpace Independent Publishing Platform : Inspired by Nature: An Adult Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Inspired by Nature: An Adult Coloring Book:

1 of 1 people found the following review helpful. Erica Henry brings us Inspired by Nature, an Adult ...By Jason HamiltonErica Henry brings us Inspired by Nature, an Adult Coloring book, with 25 whimsical hand drawn images of trees, flowers, mushrooms and other scenes from nature. These are not fussy pictures with tiny spaces to fret over. I found Ms Henry's style to inspire calm, relaxed coloring. Printed single sided on medium weight paper, I had plenty of room to remove the pages so I could frame the pictures when finished.1 of 1 people found the following review helpful. I love Inspired by Nature!By Kiya BoardmanThis is a fantastic, hand-drawn coloring book. The whimsical designs leave plenty of room to the imagination, inviting a spectrum of colors to use. Each page is single-sided and works perfectly with my colored pencils. I would recommend putting a sheet of paper between pages when trying to

use markers or pens, to prevent bleed-through. This is a great coloring book for all colorists! 1 of 1 people found the following review helpful. It has a nice glossy cover and the drawings are single sided with ...By Sarah BaylorMs. Henry is a very talented artist and illustrator. This coloring book offers a variety of nature inspired pictures. It has a nice glossy cover and the drawings are single sided with extra paper so not to bleed through to the next drawing if you are using markers. Highly recommend this coloring book.

Coloring isn't just for kids anymore. Adults all over the world are grabbing their favorite cup of coffee and coloring away. It's a great way to let the stress of the day melt away. Inspired by Nature is a 25 image hand drawn coloring book for adults. See all the images in the book here: <https://youtu.be/CqMxuJ-dcj8> www.coffeeandcoloring.com

About the Author Erica Henry drew all the time as a child and a teenager. She won many contests, and loved to create beautiful works. But for some reason, she put down her pencils and gave up drawing. She stopped for over 8 years. She does not know why she stopped drawing. Maybe she grew tired, maybe she wanted to try other avenues in her creativity, or maybe it just boiled down to life got in the way, but one day it hit her to pick the pencil back up, and she's so glad that she did. Art gives her a release. It allows her to quiet her mind and let the world fade away. She gets lost in her drawings and hours pass by in what feels like mere seconds. She decided to share her hard work and drawings with the world.
