Great coffee table book!By CustomerThe International Floral Art design book14 / 15 was great! Photography was outstanding and the designs were very unusual and innovative.I was impressed with it all!1 of 1 people found the following review helpful. Simply beautifulBy eliThe pictures in this book are gorgeous. These are not your standard floral arrangements. They are great for inspiration for unique designs. I bought this as a gift for a friend who studied design and works in flowers and she loved it.

The latest edition of the International Floral Art series, highlighting the work of a new generation of floral designers; innovative and always exciting, a valuable resource that explores the latest trends and developments in this artistic field An absolute favorite, the International Floral Art series has become an essential resource, reflecting the diverse

and evolving floral art scene. It is an up-to-date reference to the latest trends, a tool for networking and a guide to what's current in international floral design schools. It tracks promising young designers at the forefront of their field, focusing on new, exciting and innovative work. Many recognized and respected floral art designers have been discovered through the International Floral Art series, which is now celebrating 10 years of publication in this jubilee edition. Packed with fresh and inventive new designs, this is a must-have for anyone interested in floral art, from those who want to create, to those who just want to stand back and admire the incredible talents of others.
