Eleanor Burns : Irish Chain in a Day: Single and Double before purchasing it in order to gage whether or not it would be worth my time, and all praised Irish Chain in a Day: Single and Double:

6 of 6 people found the following review helpful. I bought the oldest issue not realizing that it was ...By Bette J. JanickeI bought the oldest issue not realizing that it was just typed pages and no color picture. My fault I guess since I didn't ask about the edition year. Since I had previous looked at the newer edition in person, it is very confusing to try to refer to it for directions.3 of 3 people found the following review helpful. I was disappointed with the purchaseBy CustomerI was disappointed with the purchase.Actually it was a information type pamphlet. It didn't provide me with what I seeking.I made a nine patch quilt and I wanted to quilt it by hand.Thank you0 of 0 people found the following review helpful. Love itBy NanI love these books, they make it easy to make lovely quilts. The entire process is explained step by step.

The Irish Chain is one of the most universally known patterns dating to pre-American Revolutionary War times. While evidence is lacking that this pattern came from Ireland, it has been suggested that the Irish Chain pattern may have been inspired by a similar Irish weaving pattern. Whatever the origin, the Irish Chain is a timeless pattern that continues to delight quilters today. The original Irish Chain in a Day was first published in 1986 in a black and white format. While this book remains a best seller, Eleanor wanted to update her book and add balance to the quilt. Irish Chain in a Day contains two complete quilt patterns, The Single Irish Chain, and the Double Irish Chain. Geared toward the beginner quilter, the Single Irish Chain is easy and fun to make. It guides a novice step by step through every phase of starting and finishing the quilt. The Double Irish Chain is more complex and offers the seasoned quilter a degree of challenge. With 112 full color pages, Irish Chain in a Day provides yardage and cutting charts for six quilt sizes, assistance in color variations with a paste up sheet, and border treatments. In addition to detailed written instructions, illustrations are provided for marking, pinning, quilting and binding the project. Many sample quilt photos are included to inspire creativity.
