Gerald Matt : Jan vankmajer: The Universe of Jan vankmajer before purchasing it in order to gage whether or not it would be worth my time, and all praised Jan vankmajer: The Universe of Jan vankmajer:

This publication documents the sculptures, surreal artifacts and drawings of legendary Czech filmmaker, object artist, illustrator and poet Jan vankmajer (born 1934). vankmajer draws on natural history--especially taxidermy--to create bizarre hybrid creatures.
