**Jane Packer : Jane Packer's Guide to Flower Arranging** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jane Packer's Guide to Flower Arranging:

1 of 1 people found the following review helpful. Not what I was expectingBy LoliThis book includes beautiful flower composition examples, but it's not really a guide that will show you step by step in detail how to arrange flowers. I was looking for a guide where I could learn from what are the principles of flower arrangements in general, like for example which colors or flowers are good to go together, what should be the ratio of one type of flower to another, etc. If you are looking for an inspiration, this book might be the right choice for you. But if you want to find a useful guide of flower arrangements, then skip this position.0 of 0 people found the following review helpful. Five StarsBy Catherine Coleperfect as always0 of 1 people found the following review helpful. Good BookBy Mother NatureI recently had a gathering of people here at home and wanted to do low centerpieces for the tables. Found the perfect idea and instructions immediately upon opening the book for garland-type centerpieces. They turned out beautifully!

In this irresistible book, Jane covers the same ground as in her four-week career course, here divided into three sections. Flowers to Give teaches all the techniques needed to make a variety of floral gifts. Flowers for the Home

covers vase arrangements of all shapes and sizes. *Flowers for Celebrations* offers all the necessary know-how for party flowers, festive wreaths, table arrangements, and beautiful wedding flowers. Lovely photographs of the finished creations are accompanied by step-by-step photographs and easy-to-follow instructions. This book distils all Jane Packer's expertise and style into one volume, and imparts the secrets of successful flower arranging to every reader, novice and expert alike.

**About the Author** Jane Packer is one of Britain's foremost floral artists. She established Jane Packer Flowers in 1982 and in 1990 opened her first flower school in London. In 2004, Jane launched [janepackerdelivered.com](http://janepackerdelivered.com), delivering her trademark arrangements nationwide. She has outlets in London, New York, Seoul, Tokyo and Kuwait City. Jane lives in London with her husband and two children. She has published bestselling books with Dorling Kindersley and Conran Octopus. This is her first book for Ryland Peters Small.
