Teresa Duryea Wong : Japanese Contemporary Quilts and Quilters: The Story of an American Import before purchasing it in order to gauge whether or not it would be worth my time, and all praised Japanese Contemporary Quilts and Quilters: The Story of an American Import:

1 of 1 people found the following review helpful. Five Stars By NLU Very interesting to read about these wonderful artists. Photos are terrific. 1 of 1 people found the following review helpful. Great compilation and greater gift! By J. Lam Got this book as a gift for my best friend's Aunt who loves quilts and quilting. I have been assured this is on the coffee table if not in hand being admired. 1 of 1 people found the following review helpful. Great, Inspiring Book By Customer Beautiful and interesting book of unique designs patchwork ed together. Very inspiring!!!

Discover how quilting came to be a favorite pastime for an estimated 3 million quilters in Japan today, as well as a multimillion-dollar business. For 40 years, Japan looked to America and imported quilts for ideas and inspiration. Now, contemporary Japanese quilters, with their own style, seek inspiration, museum shows, and audiences in the West, while modern-day Western quilters admire the distinct aesthetics of their Japanese counterparts. Meet more than a dozen award-winning quilters, including Yoko Saito, Keiko Goke, Noriko Endo, and Yoshiko Jinzenji. Each has a well-defined, individual style, yet they share the impeccable technical standards common to Japanese artists. Learn the inside stories of former painters, seamstresses, homemakers, graphic designers, and manga artists who have all made careers in quilting. More than 200 photographs show the Japanese artists quilts and studios, and the antique American quilts that once inspired them.

20 Textile/Art Books to Give Get (2015) With an increasing amount of our precious lives spent looking at screens, time spent turning pages of gorgeous books filled with images and stimulating text has become a premium experience. Check out these 20 delicious textile/art books published in 2015. -Surface Design Association surfacedesign.org/newsblog/20-textileart-books-to-give-get-2015 2014 Bybee Scholar Teresa Duryea Wong's new book *Japanese Contemporary Quilts and Quilters* is an important scholarly work on a significant segment of quilt artists in the world. In addition to reviewing the Japanese history and love affair with American quilting, Teresa's book takes you inside the art studios of eight of the best quilters in Japan. This is a must have book for any quilter's library. Texas Quilt Museum, Dec 2015 E-Zine Teresa Duryea Wong shares all her extensive research with us. She gives insight in the Iemoto system, introduces quilters who made it from student to master quilter, tells us about the first quilt shop in Japan and presents many interesting facts on Japanese patchwork. ... in the wonderful second part ... you get a very personal glimpse into the lives of the artists, the stories of their quilts, the setting of their studios ... an inspirational and educational book, lovingly and beautifully made and a very interesting read. A book for your coffee table or for your best friend's. Quilt Art News Museum Anthropology says:a lavishly illustrated introduction to the art of Japanese quilts that will undoubtedly appeal to quilt scholars and novices alike. ... a visually stunning introduction to the past, present and future of Japanese quilting."
