Anon. : Japanese Swords before purchasing it in order to gage whether or not it would be worth my time, and all praised Japanese Swords:

0 of 0 people found the following review helpful. OverviewBy Kevin FayJust an overview not much content would not recomend historical Info ok but that's about it that's all I can say0 of 0 people found the following review helpful. Three StarsBy J. MotesKindle version does not include photos, just text. Disappointing.0 of 0 people found the following review helpful. Not much infoBy mugwumpenot exactly what I was looking for at all. I thought I might

learn more by reading this, but it was not very informative

First published in 1913, this book contains a fascinating treatise on Japanese swords, in particular the 'katana', 'wakizashi', and 'tachi'. It includes interesting historical information, detailed descriptions, a discussion of notable sword smiths and warriors, details on manufacture, and much more. "Japanese Swords is highly recommended for those with an interest in Japanese history and culture, and it would make for a worthy addition to collections of allied literature. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an affordable, modern, high-quality edition complete with a specially commissioned new introduction on fencing.
