Josiah McElheny : Josiah McElheny: The Past Was a Mirage Id Left Far Behind before purchasing it in order to gage whether or not it would be worth my time, and all praised Josiah McElheny: The Past Was a Mirage Id Left Far Behind:

This catalogue documents Josiah McElhenys recent site-specific installation at the Whitechapel Gallery. A sculptor, performance artist, writer and filmmaker, McElheny is best known for his use of glass in combination with other materials. The installation presented here incorporated seven large-scale, mirrored sculptures upon which abstract films were projected.
