**Judith Blacklock : Judith Blacklock's Flower Recipes For Spring** before purchasing it in order to gage whether or not it would be worth my time, and all praised Judith Blacklock's Flower Recipes For Spring:

Over 40 ideas to create simple, yet sophisticated, floral displays throughout the home. This book is the second in a series of four seasonal books, and is devoted to spring arrangements using flowers and foliage readily available during the spring months. The 'How to' section teaches the necessary techniques to achieve these impressive flower recipes.
