Kaffe Fassett : Kaffe Fassett's Quilt Road: Patchwork and Quilting, Book Number 7 before purchasing it in order to gage whether or not it would be worth my time, and all praised Kaffe Fassett's Quilt Road: Patchwork and Quilting, Book Number 7:

2 of 2 people found the following review helpful. Beautiful Book!By glorial love this book. I get so much inspiration from it. I used a cat pattern from this book to use up extra scraps I had from quilting. The pattern was really easy to follow and the project came out looking much like the photo in the book. Also made a small quilt from the book. Very easy to follow instructions.3 of 3 people found the following review helpful. Great Stash Buster PatternsBy Nancy GellingsIf you are a quilter you have a stash and this book is a great stash buster. There are several patterns in this

book I plan on making. I am going to start with My Fair Lady and have already purchased my background fabric. The rest of the fabric will come from my stash. Specific fabrics were used in these patterns but the patterns lend themselves to the ways of a scrappy quilt, hence a stash buster. The patterns in this book make quilt making a win/win situation for any fabric hoarder and there are a lot of us out here. I love this book and know I will get a lot of use from it. My stash will go down and I will be making some beautiful quilts in the process. 0 of 0 people found the following review helpful. Love all his books, but the older the better. By PURPLEHEARTAW2MOMG rest older book with so many of his fabric I adore. Saving as much of his fabric as possible so I can make a large enough bed quilt in the future.

Twenty magnificent quilts from the master of color Kaffe Fassett shares his remarkable sense of color with readers as he shows them how to combine fabrics to create stunning quilts. Quilters at every level will find a favorite among the twenty spectacular projects, created with designers Janet Bolton, Keiko Goke, Hilda Krohg, and Roberta Horton. Join Kaffe Fassett as he travels this enchanting quilt road!

About the Author Kaffe Fassett, one of today's leading textile artists and designers, has been honored with a solo exhibition at London's Victoria and Albert Museum. Originally from California, he now resides in London.
