Kristin Nicholas : Kids' Embroidery: Projects for Kids of All Ages before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kids' Embroidery: Projects for Kids of All Ages:

1 of 1 people found the following review helpful. Great book! By Sara Parker I bought this book for my 7-yr-old granddaughter as a gift. She loves it! She made me an embroidery sampler for CHRISTmas! 1 of 1 people found the following review helpful. Great Purchase By patti Love this book! Bought the first one for my grand daughter, then ordered one to have at my house for use with grands when they visit. 1 of 1 people found the following review helpful. Great By A. E. Davidson Full of good ideas and useful information ...inspiring too. This book is for beginners and their more expert helpers. Projects for every taste.

An introductory embroidery guide for kids of reading age and over includes 15 fun and easy-to-follow projects, supported by full color photographs, step-by-step instructions and educational sidebars about the history of embroidery around the world. 15,000 first printing.

From Booklist Gr. 3-7. This splashy guide, crammed with photos of fashionably dressed crafters (including two boys), shows how "drawing with yarn" can add a funky personal touch to decor, clothes, and accessories. Nicholas opens

with sample stitches on plastic mesh, then introduces more advanced, freestyle techniques; her own watercolor-and-ink diagrams make mastering even the whimsical "lazy daisy" a snap. Skill explanations are followed by a sophisticated-looking project, such as an attractive throw pillow. Patterns for enlarging conclude, but stitchers are also encouraged to design their own motifs. Nicholas' relies a lot on awkward cross-referencing, but that's a small inconvenience when weighed against the potential for fun. Jennifer Mattson Copyright American Library Association. All rights reserved About the Author KRISTIN NICHOLAS is the coauthor and illustrator of Knitting for Baby (STC). She is the former creative director of Classic Elite Yarns, and her crafts have been featured in many magazines and newspapers, including House and Garden, Country Home, and the Boston Globe. JOHN GRUEN is a lifestyle photographer whose work has appeared in Martha Stewart Living, Country Home, Country Living, House Garden, Food Wine, and Parenting magazines. He lives in Connecticut with his wife and son.
