Kim Schaefer : **Kim Schaefer's Calendar Quilts: 12 Months of Fun, Fusible Projects** before purchasing it in order to gage whether or not it would be worth my time, and all praised Kim Schaefer's Calendar Quilts: 12 Months of Fun, Fusible Projects:

0 of 0 people found the following review helpful. Buy the print version, not Kindle!By Keri HambergI like the patterns...I bought it as a kindle book - big mistake. I need to be able to see easily materials that are needed, shown on charts. And I can't print them to take them to the store without them becoming grainy. Also, you want to be able to see better what it is supposed to look like. I wish I would have just purchased the print version.16 of 16 people found the following review helpful. simple seasonal quilts that are very doableBy greetingartsJust by the cover, you can see the type of whimsical, bright and cheerful designs that are included in this booklet. Printed in full color, these seasonal

patterns mix applique and very simple piecing to create decorative, fun quilts for every month of the year. They're utterly do-able, and so irresistible that the hardest part will be choosing which one to make first. Patterns are provided for fusible applique, but of course if you prefer another method you could easily adapt them to suit your own style. These quilts would even make great gifts, as they won't take too long to finish. If you like to celebrate the seasons and holidays throughout the year, this is a must have. 2 of 2 people found the following review helpful. Not happy, I purchased thinking it would allow me to ...By JoAnne T. Not happy, I purchased thinking it would allow me to download and print patterns but it doesn't even come with patterns

Start a family tradition that you'll enjoy all year 'round by making these adorable wall quilts. Hang a new one in your home each month! Smile with your cheery snowman in the winter, laugh at the mischievous ants crawling through your summer picnic, and get your apple ready for the teacher in the fall.

About the Author Kim Schaefer began sewing at an early age and was quilting seriously by the late 1980s. Her early quilting career included designing and producing small quilts for craft shows and shops across the country. In 1986, Kim founded Little Quilt Company, a pattern company focused on designing a variety of small, fun-to-make projects. In addition to designing quilt patterns, Kim is a best-selling author for CT Publishing. Kim also designs fabric for Andover/Makower and works with Leo Licensing, which licenses her designs for nonfabric products. Kim lives with her family in southeastern Wisconsin. For more information on Little Quilt Company, please visit www.littlequiltcompany.com, which offers Kim's entire collection of patterns, books, and fabrics. Little Quilt Company's Facebook page has posts about new patterns, books, and fabrics and an occasional peek at Kim's latest work.
