**Sharon Naylor : Knack Wedding Flowers: A Complete Illustrated Guide To Ideas For Bouquets, Ceremony Decor, And Reception Centerpieces (Knack: Make It Easy)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Knack Wedding Flowers: A Complete Illustrated Guide To Ideas For Bouquets, Ceremony Decor, And Reception Centerpieces (Knack: Make It Easy):

6 of 6 people found the following review helpful. Awesome wedding flower ideas. By Gayle Zachariasen I found this book very inspiring. The pictures are very well done. My granddaughter and I found so many fantastic ideas for wedding bouquets and the other wedding flowers. While the book doesn't go into step-by-step detail on how to create the bouquets, it does give good, general instructions on how to create the bouquets for someone who is familiar with the process of creating hand-held bouquets. The book gives several money-saving tips for making the bouquets by substituting more expensive flowers with less expensive flowers when making the bouquets. If nothing else, the book is a fantastic resource for floral designs for wedding flowers. 4 of 4 people found the following review helpful. Resourceful! By San I bought several "how to" books in order to create flowers for my daughter's wedding. This book is clear and easy to understand. Of the several books I bought this one was used most often. Even though I designed all her flowers well ahead of time from silk flowers, we were able to build off the designs in this book. If you only buy one book - it should be this one! 2 of 2 people found the following review helpful. Great book By Cynthia A.

Whittaker Beautiful bouquets and great decorating ideas. The description of flowers, colors and choices is great and makes talking about flower choices easy.

Wedding flowers are a huge part of the bridal dream, and a firm grasp of floral fundamentals is essential to planning an unforgettable big day. With more than 400 full-color photographs, Knack Wedding Flowers provides unparalleled inspiration and authoritative information for brides and wedding planners. Among the many details covered: what's on a floral shopping list, the smarts of in-season flowers, matching flowers to formality and location, and where to go to get flowers and/or guidance and arrangements. Guidance provided for do-it-yourself brides, too!

From the Back Cover From picking out just-perfect centerpieces to learning to hand-tie a tulip bouquet, a firm grasp of floral fundamentals can help ensure any bride an unforgettable Big Day. And yet making sense of the subject is an education in itself. Enter Knack Wedding Flowers. With 450 full-color photos, this step-by-step guide provides unparalleled inspiration and authoritative information for brides and wedding planners. From what to consider for your bridal-flower shopping list to planning for ecofriendly in-season choices, from matching your flowers to the formality and location of your wedding to how to talk with a florist it's all here. Guidance is provided for do-it-yourself brides, too!
