I do enjoy it, and I plan on starting my "boyfriend" today. One of my dislikes is that the outfits are mostly sewn from fabric, the only knitted items are a sweater and a jacket. However, it is cute and I can't wait to make mine.2 of 2 people found the following review helpful. Easy knittingBy SherilynI've made one Boyfriend so far and I love reading through and giggling at all the yarn jokes inside. The finished product was rather cute.
