Sarah Keen : Knitted Nursery Rhymes: Recreate the traditional tales with toys before purchasing it in order to gage whether or not it would be worth my time, and all praised Knitted Nursery Rhymes: Recreate the traditional tales with toys:

1 of 1 people found the following review helpful. I LOVE this book!!!By S Wal have purchased/borrowed a lot of the new hardcover knit/crochet books and have been very disappointed. Most of the patterns are not what is shown in the pictures. They are either full of errors, or so complicated that someone learning to knit/crochet would probably give up and, even an experienced knitter as myself, have become frustrated with what's out there. I will have to give Sarah Keen kudos on this book. I love it!! Patterns are VERY EASY to follow (even for beginners) and items come out exactly as shown in the pictures. I really enjoy knitting everything she has in the book. Not only can you follow her patterns to make all items shown but, you can also improvise and make your own items. Thank you Sarah for FINALLY giving us crafters a really nice book to use! I am looking forward to purchasing her next book.1 of 1 people found the following review helpful. Absolutely love it. Directions are not too hardBy Betty PalmerAbsolutely love it. Directions are not too hard. The themed characters are great. Have already had complements on them. I made the "humpty dumpty" group, working on "little bo peep". These are great for all my new great grand children.1 of 1 people

found the following review helpful. I LOVE this book By JCA Knitted nursery rhymes.... I LOVE this book. Have already made a Humpty Dumpty and Mary Had a Little Lamb (and the lamb). I have a 1 1/2 year old great-granddaughter and I'm sure she is going to love them

Once upon a time there was a perfect little how-to guide to knitting toys and it taught knitters just like you how to easily recreate traditional characters from best-loved tales characters such as Humpty-Dumpty, Little Miss Muffet, Jack and Jill, plus delightful animals that children know and love including five little ducks, and five little monkeys. This is no tall tale, it's true! It's a book called Knitted Nursery Rhymes and you'll love it, through and through! This charming guidebook brings you 15 adorable nursery rhyme toy projects of different levels to knit from scratch. All the original rhymes are featured alongside the knitting patterns, so you can snuggle up with your favorite child and pour over the pages together. What a treat! Knitted Nursery Rhymes includes: 15 easy-to-follow patterns that appeal to a wide range of abilities Instructions for how to use DK yarn, which is durable and child-friendly A comprehensive, illustrated techniques section Expert instruction from the master knitter known for creating the most lovable children's toys

About the Author Sarah Keen is passionate about knitting, finding it relaxing and therapeutic. She discovered her love of the craft at a very early age. Sarah now works as a freelance pattern designer and finds calculating rows and stitches challenging but fascinating. She is experienced in designing knitted toys for children, and also enjoys writing patterns for charity. Sarah has previously written the bestselling GMC titles, Knitted Woodland Creatures, Knitted Farm Animals, Knitted Fairy Tales, Knitted Nursery Rhymes, Knitted Noah's Ark and 100 Little Knitted Projects.
