Our dolls always reflect the times of a child's life. My degrees are in Early Childhood and I've always focused on the value and importance of play in a child's life...so this book fulfills my own personal interest. 0 of 0 people found the following review helpful. I love this series for my re-created porcelain dolls. By Denise Richardson Great series for and one who wants to re-created the costumes for their dolls. You will need to be experienced in knitting and crocheting before using but items turn out

great. 1 of 1 people found the following review helpful. Great old patterns By jpaden01 These are great, old patterns. For a beginner, they are difficult for some of the wording is a little different. It helps if you have some experience.
