Morgan Always an uplifting word right when you need it. Love the variety of projects. Photography of projects are excellent. Usually I bead but now I will be knitting for awhile. 0 of 0 people found the following review helpful. This book is so much fun and my friend and I are doing it By Lynda Southard This book is so much fun and my friend and I are doing it. If you are looking for a new to do this is it. Thanks

Who knew you could actually knit without needles? Put down those complicated knitting projects that take forever to finish. Knitting Without Needles brings cool home, gifts, and clothing accessories--cowls, totes, rugs, poufs, scarves,

and more--within arms reach. An all-in-one resource for a new kind of craft, this book shows you how to loop yarn with your fingers or your forearms with thirty patterns that are simple to follow and produce stylish results. Best of all, many of them knit up fast in less than an hour! Even if you've never picked up knitting needles, you can easily master the techniques to make fun knits with kids and for kids (a princess crown, baby booties) and even last-minute gifts (a statement necklace for your fashionista friend). With stunning photography, plenty of step-by-step photos, and a detailed resource section, *Knitting Without Needles* is your go-to for a new way to knit.

"This book is a must-have for anyone who wants to create something functional and beautiful from the heart without investing in expensive tools, endless supplies, or clunky machines. You only need your hands, some wool, and the projects in this beautiful book. I'm not a knitter but after seeing the stunning photos of Anne's projects and reading her supportive words, I'm definitely giving *Knitting Without Needles* a try!" Holly Becker, author and founder of [decor8blog.com](http://decor8blog.com)

"A beautiful and very crafty new book . . . Anne Weil shares stylish patterns that are incredibly simple, but yield gorgeous DIY results. Stay warm and cozy while you're knitting!" Victoria Smith, founder of [sfgirlbybay.com](http://sfgirlbybay.com)

"If you've ever wanted to try knitting but feel a bit intimidated, then this book is for you because it's made for non-knitters and knitters alike! The projects are totally doable, and because so many of them use big yarns, they make a big impact. When you're thinking about making gifts for the holidays, this book is a fantastic resource for easy and quick projects. And *Knitting Without Needles* is a great way to bring chunky knits (which are all the rage!) into your home without the big price tag." Gabrielle Blair, author of *Design Mom: How to Live with Kids: A Room-by-Room Guide*

"It's not often a book comes along that furthers the knitting experience in such a novel way. The innovative techniques in *Knitting Without Needles* present an armload of new possibilities and may expand your notion of knitting way past its current horizon! Joelle Hoverson, author of *More Last-Minute Knitted Gifts* and founder of [Purl Soho](http://PurlSoho.com)

"This appealing guidebook filled with photos teaches readers a simplified knitting technique that involves using fingers and forearms to make gifts, clothing and accessories (perfect for the holiday season)." Alaska Beyond Magazine
