Nice!!By KarenI had been looking for this book for awhile and I found it here on for a really good price and I received it within the promised time frame.0 of 0 people found the following review helpful. Good quality bookBy Grisel Del RosarioTraditional Christmas cross stitch patterns. Good quality book.

A wealth of festive cross stitch designs to celebrate everyone's favourite time of year from popular designer Sue Cook. Six themed chapters rejoice in the season's most popular events; each opens with a magnificent picture design to capture the very essence of Christmas, from a beautifully dressed tree or a stocking bulging with toys, to the peace and joy of the nativity scene. Each chapter also includes six pages packed with smaller motif designs, ideal for cards and

tags when stitching time is short, as well as project ideas for gifts for family and friends, tree ornaments and decorations for the Christmas table. Additional charted alphabets and greetings allow you to personalize the designs. Sue's stitching tips focus on using metallic threads, charms and beads to make your Christmas stitching all the more special.

About the Author Sue Cook's work appears regularly in needlecraft magazines. Her previous books include Sue Cook's Wonderful Cross Stitch Collection and Sue Cook's Bumper Cross Stitch Collection. She runs her own kit company, August Moon Design, and lives in Newport, South Wales.
