I was hoping more pumpkin pics but its nice.2 of 2 people found the following review helpful. SpookyBy JudyI love this book! When I came across this I knew I had to have it. I own another one of this artist's book and it's just as fantastic. She has a great imagination and shares it with us on paper. The drawings are so fun to color and you add in any background you dream of.Definitely one for the spooky season.1 of 1 people found the following review helpful.

No Ghoul, Just Kool! By Kat Suydam So refreshing to find a Halloween Coloring Book that is good for all ages. No Ghoul, Just Kool! Super Cute HALLOWEEN: Witches, Pumpkins, Owls, Vampires and more with a super cute twist

Do you love Halloween? Artist Tabitha L Barnett certainly does, and now you can experience it with her in this new book, Super Cute HALLOWEEN! With sugar skulls, cute owls, haunted houses, adorable witches and everything in between, there's something to please every coloring and Halloween enthusiast inside! There are 31 adorably spooky Halloween themed designs, some of which are repeated on black backgrounds, printed on only one side of the page. Some of the designs are very detailed, while others are super simple, making this book ideal for every colorist. Included in the back you will find a color chart and a few extra pages to cut out and use as blotter sheets, to test colors, or to make notes. Grab your favorite pens, pencils or markers, and color the stress away! Order your copies today!

About the Author Coloring book artist Tabitha L Barnett lives in the mountains of Eastern Kentucky. She's had a passion for art since early childhood. Now, when she isn't taking care of her two young children and husband, she spends every spare minute drawing pages for you to color.
