DC Comics : Superman Fold and Mail Stationery before purchasing it in order to gage whether or not it would be worth my time, and all praised Superman Fold and Mail Stationery:

1 of 1 people found the following review helpful. Classic Superman stationery... or is that stationery... yeah [motionless] stationARY stationERY! By Michael Grsch-McCluskey Remembering how to SPELL stationery/stationary reminds me of my NAVY days. I had a friend that told me the EASY way to remember PORT is on the left [and STARBOARD, right] is that Starboard has an R=Right... I reminded him PORT also has an R. "Port and left have four letters, each." I volunteered. He said "Yeah, but how do you remember what side is on the right?" Oh brother! Well, anyway, NICE stationery! 1 of 1 people found the following review helpful. My son loves it! By S. Asai I got this mail stationery so that my 3 year old son would get excited about writing letters. And he does! We have so many family

members faraway, we write them often. He loves writing letters and folding them and licking them shut. Perfect!

It's a letter! It's an envelope! Actually- it's both! Simply write, moisten, fold, and stamp. Visit the [DC Comics Web site!](#)
