Vivienne Becker : Swarovski: The Magic of Crystal before purchasing it in order to gage whether or not it would be worth my time, and all praised Swarovski: The Magic of Crystal:

Swarovski is a family-owned company that produces crystal stones for use in fashion, jewelry, lighting, textiles and interior design. This book outlines the history of the company from its founding in 1845, through its entry into Paris couture in the 1920s and 1930s, to the present.
