The photographs are divine and the instructions first rate. The book is as beautiful to browse through as it is to make the items. This book is rated for those who have a little sewing knowledge to ideas and other inspiration for the well advanced. I thoroughly recommend this book.Thank you Amy!!!12 of 12 people found the following review helpful. She also have an amazing blog. I learned alot from herBy Annie W.Amy inspired me!!!! From what I learned in fashion schools working in the industry I thought I seen it all but Amy prove me wrong! Her creativity is intoxicating! I am definitely going to buy few more books to give as gifts. She also have an amazing blog. I learned alot from her. She sparks my sewing again. Thank you Amy!!7 of 7 people found the following review helpful. Cute Book, But Could Have Used Some "How-To" PhotosBy amanoI love this book and Amy's designs, but I sure wish the publisher had included "how-to" photos in it. There really aren't any and there's several instances in the book where I think, "why didn't they show a

photo of how to do this?". They certainly could have - sometimes they have multiple photos of just about the same thing, when they could have stuck in a photo to actually help you! Regardless, I love the patterns. They sure are cute.

Sweetly Stitched Handmades includes 18 original designs that incorporate Amy Sinibaldi's love for patchwork and embroidery, natural linen, and a carefully chosen color palette of patterns and prints. The projects range in difficulty so that a beginning sewer may easily complete a few projects from start to finish, while others are more difficult and a more advanced sewer may be challenged to learn some new techniques. Projects include a color-block baby quilt, a crayon-castle caddy, a jam-jar pincushion, an airmail tote bag, and a simple Home Sweet Home embroidery.

"Cute, chic and so now. Everyone who loves to sew and loves patchwork will adore the projects in this book. I love the bear cushion, the tote bag, crayon caddies and quilts. Aimed at babies but easy to alter a little for someone older. For the home there are accessories such as coasters, mats, mug rugs and my absolute favourite project I've seen this year fabric boxes. More home makes include a pouch, tote, hanger and cushion. It's sort of Tone Finnanger meets Zakka style. There are 18 projects in all, and they all have great charm. Nicely photographed and easy to follow instructions." yarnsandfabrics.co.uk
