The main problem I have is finding similar containers, they may be plentiful in England but not where I live! This of course helps to make her arrangements spectacular.19 of 20 people found the following review helpful. Looking for Inspiration?By MerryAs always, Paula Pryke leads the way with inovative and beautiful floral creations. This book contains fantastic photos and instructions on how to create the same design or how to upgrade it. Whether you are a novice or season floral designer, this book is one you will want to have in your floral library. All of her books are real treasures and great value for the money.2 of 2 people found the following review helpful. Excelent bookBy RubenMy wife is studying floral desing and the book is really amazing, the writer is sure one of the most easy-understanding teacher. Congratulations, my wife enjoyed her gift

Paula Pryke's floral designs set the paradigm for excellence and innovation. Her latest book explores the newest trends

in floral design and provides hundreds of ideas for bold centerpieces and elegant bouquets to make any table feel festive. Starting with the type of occasion and the personalities involved, she explains her signature concepts, such as using unusual containers and accessories like candles or nightlights, and combining flowers, foliage, and even fruit. She demystifies the art of using colors, textures, and architectural form for contrast. This gorgeously illustrated how-to includes all manner of floral details and accents, such as floral arrangements to adorn chair backs and miniature hand-tied bouquets to decorate napkins. Packed with ideas and techniques, this book features step-by-step instructions that make any project achievable.

**About the Author** Paula Pryke is renowned for innovative and brilliantly colorful floral designs. Classes at her flower school in London are much sought-after and attract students from all over the world. She is the author of seven bestselling books, including *Paula Pryke Flower School* and *Wedding Flowers*.
