Fun easy table toppersBy susie homemakerI found at least 5 table toppers in this book that I will be making in the next few months and have started on one already1 of 1 people found the following review helpful. An okay book, if you are obsessed with ALL table runners, butBy Sew It SeamsKind of a disappointment. I make a lot of table runners, but this was uninspiring, at least to me. I passed it on as a gift.0 of 0
