Just wish it included more of their work.0 of 0 people found the following review helpful. Four StarsBy CustomerI learned quite a bit about tavern signs.0 of 0 people found the following review helpful. Five StarsBy aknannygreat book- came as promised

Delightful contemporary primitive hooked rugs inspired by three centuries of American tavern signs and the stories they reveal.

About the Author The authors began their foray into rug hooking in 2003 after buying a small hooked mat at a local auction. To date they have completed over 100 rugs focused on tavern, trade and farm signs. Working as a team, the couple design and hook one of a kind primitive rugs while continuing their research into the stories associated with the signs.
