Judith Blacklock : Teach Yourself Flower Arranging, New Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Teach Yourself Flower Arranging, New Edition:

6 of 6 people found the following review helpful. With this book, you CAN teach yourself flower arranging.By P. MarshallI own more than 25 books on Flower Arranging. Many books just show lovely pictures of flowers, and leaves the reader to try to figure out how the arrangement is made. Judith Blacklock is my favorite floral instructor because she combines beautiful floral work with real information on how to achieve similar results. If you purchase only one book on flower arranging, this is the one to own, particularly in the later addition, where she's added gorgeous color photographs. It's geared toward beginners, but would also be an inspiring book for experienced arrangers.0 of 0 people found the following review helpful. Two StarsBy LIZ FALWELLNot helpful9 of 9 people found the following review helpful. Teach yourself flower arrangingBy A CustomerThis was an excellent book for the beginner as well as the more advanced floral designer. Great information and wonderful arrangements

Teach Yourself Flower Arranging shows you how to choose and buy flowers and create stunning arrangements--both modern and traditional. Abundant color photography--on virtually every page--provides inspiration for: Selecting

materials and tools Accomplishing suggested projects Developing original ideas Mastering skills and techniques
