Nancy Tillberg : Teddy Bears with a Past before purchasing it in order to gage whether or not it would be worth my time, and all praised Teddy Bears with a Past:

Both beginning and accomplished artists should learn everything they need to know about the art of fine bear making. By using old fur coats, mohair and other plush fabrics, readers will be able to create eight projects that can be treasured for years to come. Besides step-by-step instructions, easy-to-follow illustrative photographs, and full-size patterns, this book provides the reader with foolproof techniques for creating bears using furs and plush fabrics.
