Liesel Norval-Kruger, Tina Marie Malherbe : The Art of Giving: Gift Ideas to Delight the Senses before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Giving: Gift Ideas to Delight the Senses:

9 of 10 people found the following review helpful. Lots of inexpensive gift ideasBy Julie ReneeThis book is filled with lots of do-it-yourself gift ideas that are both inexpensive and simple to make. I really like the section on dressing up cash gifts in interesting ways (like slipping it into a fortune cookie). A lot of the gifts would be great for the 'impossible to shop for' people on your list as well. I gave the Hot Chocolate Cream to my Coworkers this Christmas. It cost under \$3 a jar to make and it was a huge hit.

Gift giving is a universal custom, but in today's harried world many of us have moved away from the more considered and creative aspects of what should be a very personal act. It should be a gesture of love, friendship, celebration, acknowledgment, and thanks. The Art of Giving is filled with inspirational ideas and practical information for the

discerning gift giver on how to achieve beautiful, artful, and thoughtful gifts. Taste, smell, and touch are the pivotal chapters. They draw on our capacity to indulge ourselves and those we love through each particular sense. Each chapter is filled with ideas and tantalizing images, as well as practical information on how to create and present wonderful gifts. Another chapter, on wrapping, will show you how to achieve expert finishing touches and inspired solutions to the most awkward of gift shapes. From handcrafted soaps and homemade potpourri to beautifully wrapped candies and an entire picnic for two, the endless variety of ideas in this book offer something for everyone. Turn to the back of the book for recipes, templates, diagrams, labels, and other do-it-yourself essentials to tell you how to do it all. For anyone who wants to create and give gifts that are more expressive, meaningful, and heartfelt than something grabbed off the shelf or ordered over the phone, *The Art of Giving* offers a wealth of inspiration and practical advice.

About the Author Liezel Norval-Kruger is an international author and publisher specializing in visual communications and decor. She is the author of *Modern Soft Furnishings* and *Updated Country*. Tina Mari Malherbe has worked in the magazine industry as a graphic designer and decor editor for fifteen years.
