The book is very nice, the instructions are different then we make in ...By Russ GaudetThe book is very nice, the instructions are different then we make in our shop but none the less it gives us an idea on other methods.0 of 0 people found the following review helpful. Art of Handmade FlowersBy CustomerI am new to this and wanted directions that I did not have to search for. It did the trick, but the one thing that I am not excited about is how small the photos are. You cannot see all the little "nuances" that go into working with this. Otherwise very happy with this book0 of 0 people found the following review helpful. Five StarsBy Deborah Griffinsatisfied

Nylon flower making is an easy to learn craft that uses simple tools and inexpensive materials to achieve stunning results a long lasting art form. This book features detailed instructions and easy-to-follow photographic sequences on creating over 70 flowers and arrangements.
