**Dover Publications Inc., Butterick Publishing Co. : The Art of Knitting (Dover Knitting, Crochet, Tatting, Lace)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Knitting (Dover Knitting, Crochet, Tatting, Lace):

1 of 1 people found the following review helpful. Four StarsBy Nora Connollyok0 of 2 people found the following review helpful. Unusual reference bookBy Through a Golden EyeInteresting reference book.1 of 1 people found the following review helpful. The 19s FashionBy SilTesAs always, Dover Publications respects the original book with a clear and faithful copy of it. This book is for knitting lovers who want to know a little more about the history of this art and the exquisite fashion of the 19s..If you want to know more about it, the book is at disposal for free at Internet Archive : [...]

Comprehensive in scope and elegant in presentation, this classic Victorian-era volume was the first complete how-to guide to knitting. Originally published by Butterick, the company that later produced Vogue Knitting, it constitutes a fantastic historical document as well as an easy-to-follow guide for knitters at all levels of experience. In addition to basic knitting instructions and a dictionary of stitches, the book offers illustrated patterns for dozens of projects, including sweaters, scarves, hats, and other items for women, men, and children. Starting with a chapter of general directions, the guide presents examples of fancy stitches, including edging designs for mittens and socks, borders for scarves and shawls, and knitted edgings and insertions. Ladies' apparel and accessories include hoods, capes, shawls, jackets, fascinators, leggings, and many other projects. Menswear includes sweaters, belts, scarves, ties, and more. In addition to children's clothing and toys, the book also features patterns for counterpanes, spreads, doilies, mats, and other household articles.
