Holiday magic is easy to create when you have the help of America's favorite illustrator. Christmas with Mary Engelbreit: The Best Christmas Ever is the third book in the series of holiday collections that celebrates all the joys and toys, wrappings and gifts, treats and trims of Christmas. Overflowing with plans for handmade decorations, unique and meaningful gift ideas, and irresistible recipes, this warm and lively collection offers readers everything they need

to plan the Christmas of their dreams - all presented with the trademark Engelbreit wit, warmth, and sparkle. Among the clever, original, and easy-to-do (we promise!) craft projects are a variety of wreaths, cut-glass ornaments, and a special shopping tote just for Mom. Several projects for kids will keep restless hands active and curious tots too busy to snoop under the Christmas tree. Recipes include a wide range of cookies, cakes, candies, and cocktails sure to make your holiday gathering the highlight of the season. Mary's merry illustrations (both classics and new favorites) bring extra magic to nearly every page of this exhilarating sourcebook. The Queen of Christmas has done it again... and this year she's promising nothing less than the Best Christmas Ever!
