That Patchwork Place : The Big Book of Baby Quilts before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Big Book of Baby Quilts:

8 of 8 people found the following review helpful. not just for babies.....By kathy18951 when i saw the ad for this book, what caught my eye was the number of quilt patterns listed, "87". While there is not a pattern i do not already have 10 times over, this is a great repository for a large number of patterns for smaller sized quilts. With a little tweaking and your own personal favorite fabrics, you can create a myriad of wall hangings or just the intended baby quilts, from simple to more complex using the patterns listed. The instructions are clear, lots of pictures of both finished quilt and block construction. for the finishing techniques, you can always go to Martingale web site for tips on binding, sleeve, anything you have a question on. a new book, and not deeply discounted as yet, but a nice addition to the quilting library. 2 of 2 people found the following review helpful. Goldmine for Baby Quilts By Linda Full of good ideas and instructions for a baby quilt. This is NOT the usual 'novelty' print quilt for kids. Think "outside the box" for

color combinations. 4 of 4 people found the following review helpful. Nice easy versatile patterns
By Ruth McClelland
If you need a BIG book of baby quilt ideas, this one will do it. Nice size squares to work with and easy to follow directions. Really good book to get ideas from and to use some of the fabric stash. Some of the basic piecing is the same patterns that are usually learned early in a quilter's life, but still a great book to have in the home library to get ideas from. I've not had to look too long and have already made five baby quilts from it.

With this collection of delightful baby-quilt designs by top-selling authors, you'll always have the perfect baby gift. Designers include Amy Ellis, Evelyn Sloppy, Jenny Wilding Cardon, Joan Hanson, Karin Renaud, Karla Alexander, Mary Hickey, Nancy J. Martin, Nancy Mahoney, Retta Warehime, Sara Diepersloot, Sarah Bisel, Susan Dissmore, Teri Christopherson, and Ursula Reikes. Get outstanding value with an abundance of adorable quilts for Baby--87 in all! Play with fun designs ranging from traditional to modern, ideal for baby showers, birthdays, holidays, and more. Discover quilts for every skill level; while most projects are patchwork, some also include charming applique

You will never run out of ideas for special new arrivals with *The Big Book of Baby Quilts*. Whether you like scrappy, pieced, or appliqued designs there are sure to be several quilts you will love to make. It's filled with 87 simple, fun patterns perfect for baby and quilter alike. --*McCalls Quick Quilts*, December/January 2014
This book has 87 quilt patterns by some of the biggest names in quilt designing including Nancy Mahony, Mary Hickey and Nancy J. Martin. The designs are all fun and colourful and unisex. There are pieced quilts and applique quilts but being as they are all small they are quick to make for your baby or a gift. --*Australian Quilters Companion*, November/December 2013
Because of their size, baby quilts offer small-scale opportunities to sharpen skills and try new techniques. With 87 patterns from a host of talented designers, you're sure to find quilts aplenty that are great for giving. --*Quilts and More*, Spring 2014
The editorial team at Martingale has compiled a cheerful assortment of patterns for small colorful quilts in one volume, so you'll always have a resource for the perfect baby gift. The projects in *The Big Book of Baby Quilts* are intended to celebrate new life and to offer congratulations and wishes for birthdays, holidays, and more. Flip through the pages for a project that suits your needs: there are 87 sweet, bold, and playful quilts here, but beware, the choice won't be easy! All of the projects are rich with variety: there are many different styles, skill levels, techniques (such as applique and chenille), and sizes (crib, stroller, car seat) to choose from. These quilts are designed to be played on, played with, dragged around, and slept under. All are meant to be comforting and snuggled with. --*Quilt Trends*, Spring 2014
From the Inside Flap
