The crafts require materials not easily found requiring trips to craft stores, etc. I, too, liked very few of them. The idea might work for Vacation Bible School but for Sunday School they are too time consuming. What a waste of money. 1 of 1 people found the following review helpful. This book is wonderful as it helps teach the child the bible. As you read the bible story the crafts they make coincide with the story. So you know the child understood the story through the craft she made. Thank you.

The Big Book of Bible Crafts is an essential resource for Vacation Bible School, Sunday school, camps, and more. Every craft relates to a specific Bible story or character and is divided into sections for early childhood and elementary ages.
