It is a large, thick, and heavy book with many colored pictures, and good directions (I am told) so, well worth the money. Soft cover is durable looking, and seems coated with something to make it so.5 of 5 people found the following review helpful. Great book for ideasBy dshI bought this book for ideas for my quilt guild to use for baby quilt that we make and give to a local hospital for the NICU. We'll get a lot of use from the patterns --glad I bought it.0 of 0 people found the following review helpful. Scrappy is good.By BriaIf you
