William Stanley. Jevons : The Coal Question; an inquiry concerning the progress of the nation, and the probable exhaustion of our Coal-Mines. before purchasing it in order to gage whether or not it would be worth my time, and all praised The Coal Question; an inquiry concerning the progress of the nation, and the probable exhaustion of our Coal-Mines.:

Title: The Coal Question; an inquiry concerning the progress of the nation, and the probable exhaustion of our Coal-Mines.Publisher: British Library, Historical Print EditionsThe British Library is the national library of the United

Kingdom. It is one of the world's largest research libraries holding over 150 million items in all known languages and formats: books, journals, newspapers, sound recordings, patents, maps, stamps, prints and much more. Its collections include around 14 million books, along with substantial additional collections of manuscripts and historical items dating back as far as 300 BC. The GENERAL HISTORICAL collection includes books from the British Library digitised by Microsoft. This varied collection includes material that gives readers a 19th century view of the world. Topics include health, education, economics, agriculture, environment, technology, culture, politics, labour and industry, mining, penal policy, and social order. ++++The below data was compiled from various identification fields in the bibliographic record of this title.
