Only a bit disappointedBy njgranThe photos are not as sharp or clear as I'd have liked.I was hoping for more photos of the Children's Tea Sets.But I am glad I got it. The book arrived in no time at all.0 of 1 people found the following review helpful. Wonderful book about children's Akro Agate glass.By Kathleen C, EvansI collect children's glass and was looking for another book for research and identification purposes. I am sure that this book will be very helpful.
