1 of 1 people found the following review helpful. The Complete Book of Oriental Designs: A Source Book for

Craftspeople and Artists Plus a Gallery of Inspirational Finished Piece By Donna Sylvester this book is amazing, the picture are clear and will be beautiful when they are painted. I would recommend it to everyone. 0 of 0 people found the following review helpful. I like it, but you have to be able to ... By ravenlock621 Have used the designs for all kinds of projects. I like it, but you have to be able to transfer the designs to the project you are working on. Not the easiest. 0 of 0 people found the following review helpful. Five Stars By Carol L Lots of designs to choose from. Lovely.

Figures, birds, flowers, stylized motifs, borders, and symbolic patterns abound in this inspirational sourcebook containing more than 300 specially commissioned black-and-white line illustrations for use in projects and artwork. Inspired by the artistic periods borne of the ancient dynasties, each project is an interpretation of the best of Oriental styledrawing inspiration from the celebrated art, architecture, textiles, and ceramics throughout the regions long history. A gallery of finished pieces introduces papercrafters to the possibilities awaiting further study, as well as suggested applications of each design on book covers, in cards, as an embroidery, and much more.

"At the beginning there are several pages showing large colored photographs of a variety of different projects made using the designs to inspire you." MyShelf.com
