**Marco Rossignoli : The Complete Pinball Book: Collecting the Game Its History** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Pinball Book: Collecting the Game Its History:

0 of 0 people found the following review helpful. Good gift for pinball fans By Birdie C. Very high quality, glossy pages. Lots of good pictures. Heavy, solid "looks really nice on a shelf" book. Totally worth the money. If you need a gift for the pin-head who already has everything, check to make sure he doesn't have this book, and then buy him this book. 1 of 1 people found the following review helpful. Nice book By cyberscrewed Anyone who is interested in pinball and its history may consider this book for their library. Complete with colorful photos and explanations of techniques, terms and general information, The Complete Pinball Book is a must for those who want to learn more about this fascinating past-time turned hobby. 0 of 0 people found the following review helpful. Written with passion By Customer Very nice pinball book. Very detailed and great pictures. Nice to see the interiors of pinballs too.

Pinball-ology! For enthusiasts, collectors, or anyone who has flipped, bumped, or banked a silver ball, the 3rd revised edition of pinball amusements has arrived! Extensive historical research details the progression of pinball over the decades, with updated statistics and pricing values. Learn about the historic changes from electromechanical to solid state components, sounds to talking machines, all about flippers and bumpers, and world pinball information for this favorite pastime. Full-color photos of vintage 1930s through and including contemporary pinball machines are shown along with how-to tricks and slingshot treats. Varied themes are explored touching popular icons such as Indiana Jones, Charlie's Angels, and Flash Gordon, but wider topics such as cowboys and Indians, outer space, or beautiful women are here, too. A video-pinball list, video modes, and historical summary are included. Tilt!

About the Author Marco Rossignoli lives with his wife Vanessa in Newcastle, in the eastern Australian state of New South Wales. It was here in the late '70s that he played his first pinball game; he has been playing pinballs ever since.
